JAMAICA GINGER

BEWARE OF WORTHLESS IMITA-TIONS AND COUNTERFEITS.

ROWN'S ESSENCE OF

## Frederick Brown

PHILADELPHIA, PA. THIS RELIABLE PREPARATION, one of the oldest of American Pharmaceutical Products, still maintains its enviable reputation, and finds a steadily increasing sale without advertising, and n spite of piracy.

Its high reputation has tempted the cupidity of parties, whose only excuse for their unfair simula-tions, exists in the great popularity of the original, and accidental similarity of their names.

BROWN'S ESSENCE OF JAMAICA GINGER is protected by the private Proprietary Stamp of the manufacturer, which is incorporated with the steel plate engraving,

The attention of Druggists and the trade generally is called to the Price List of ENGLISH & FRENCH MEDICINES AND PHARMACEUTICAL Which will be mailed on application.

## FREDERICK BROWN.

[Established 1822 ] IMPORTING, MANUFACTURING AND DIS-PENSING CHEMIST, North East Corner Fifth and Chestnut Streets' PHILADELPHIA, PA.

Brown's G-NGER will be found invaluable in all cases of Cramp or other disorders caused by change of water or bad water, and a few drops used regularly by travelers will usually act as a Preventive, and ward off such attacks. To the aged and those recovering from illness a small quantity with a little sweetened water will be found to give strength and refreshment: the Ginger having no reaction, which is the second content. which is the great objection to the use of alcaholic stimulants. Producing all the good effects of a Mustard Plaster, (without the possibility of bilster-ing the skin.) its application on flannel is most effi-cacious. And in the case of persons pr. disposed to Rheumatism and Gouty Affections, it is of great service, fland to rub with. Beware of Counterfeits.

> The privilege of calling a man put into office without any title the "fraudulent president," is a valuable one, but the luty of keeping a man without a title to the office of the presidency, if properly performed, may do away with any necessity for calling ugly names. The Post is doubtless willing to see its party steal the presidency, and steal the ignominy of the act for the sake of the spo.ls. but that does not settle the case. When an officer catches a thief making off with stolen goods, he captures the fellow and akes away his plunder. He doesn't satisty nimself and the public by letting the rogue go with the spoil and indulging in expletives.—N. Y. World.

They contain neither suphur nor phosphorus, neither are they poisonous. Another important point is that they are perfectly safe in the hands of children; and the rate and mice carrying them off can do no damage. Mr. Smith also manufacturers a special rubber to be placed bear match safes, thereby making these matches as convenient as those which ignite on any surface. With these improvements they are very desirable for private dwellings and business houses in whith combustible matter is kept.
